La lámpara MIST, diseñada por Billares SAM, permite la posibilidad de personalización o de inclusión de imágenes publicitarias impresas sobre las piezas de metacrilato translúcido en sus extremos. Si su salón dispone de varias mesas numeradas, gracias a esta posibilidad podrá hacer la numeración claramente visible para los jugadores.

The MIST shade, designed by SAM Billiards, offers you the possibility of customization or inclusion of advertisement pictures on the translucent methacrylate parts at both ends. If you own a pool club with several numbered tables, you may clearly show numbers to your customers thanks to this feature.
