PinballMAX 49 Enhanced Virtual Pinball Games List

How to Search the Games List

Every ArcadeMAX machine has access to thousands of games. Compiled here is a list of all games available to play on your machine.

You can search through the entire list using your device's search function (Ctrl and F on Windows Desktop, Cmd and F on Mac). On mobile, the search function is dependent on your chosen browser or PDF viewer. Use the following guide:

Android PDF Viewer: Tap the on-screen magnifying glass icon to type in a search term and search the games list.

Chrome (iOS): Tap the 3 dots to open the options menu. Tap the "Find on Page" option to type in a search term and search the games list.

Firefox (iOS): Tap the burger menu (3 lines) and tap the "Find on Page" option to type in a search term and search the games list.

Safari (iOS): Tap the "share" icon, then scroll down to the "Find on Page" option to type in a search term and search the games list.
